

CSI 201

Advanced Crime Scene Photography Techniques

WHEN: February 22 & 23, 2010
Class will begin at 9:00 A.M.

WHERE: SCLEOA – Activity Building
7339 Broad River Road
Irmo, SC 29063

Member Cost: \$210.00
Non-Member Cost: \$240.00 (new membership included)

This course is approved by the SC Criminal Justice for 16-hours of in-service training for recertification purposes.

ABOUT THE COURSE:

Course Purpose:

This course is designed to teach basic and advanced photographic techniques that are required to document crime scenes and accident scenes for investigative purposes and court presentation. The following topics will be covered:

- Functions and controls of digital single-lens-reflex (DSLR) cameras and other types of digital cameras
- Understanding depth of field and motion control
- Close-up photography
- Functions and controls of detachable flash units
- Solving lighting problems using fill-flash, painting with light, menu selections
- Interior and exterior crime scene and accident scene documentation
- Photographing victims and suspects
- Considerations for managing digital images

This course will be approximately 50% lecture and 50% hands-on practical application. **There will be an evening class February 22, 2010, that will conclude at approximately 8:00 p.m. .**

ABOUT THE INSTRUCTORS:

Kerri McClary received her Bachelor of Arts degree in Criminal Justice from Central State University in Oklahoma. Her law enforcement career spans over 20 years; beginning as an Identification Technician with the Kansas Bureau of Investigation and culminating as a Special Agent with the South Carolina Law Enforcement Division. She is currently an Investigator at the University of South Carolina Division of Law Enforcement and Safety. She is an adjunct faculty member in the extensive 10-week National Forensic Academy Training Program located in Oak Ridge, Tennessee. She provides training to the law enforcement community locally and nationwide through her consulting company, Kerri McClary Consulting, LLC. Ms. McClary has an extensive background as a latent print examiner, crime scene investigator and forensic photographer. She has received additional educational training and experience in forensic photography and digital imaging from the F.B.I. Academy in Quantico, Virginia. She is a certified crime scene analyst through the International Association for Identification. She is a past president and is currently a member of the South Carolina Chapter of the International Association for Identification. Ms. McClary is currently serving as President of the Richland County Sheriff's Posse. She serves as a peer team member for the South Carolina Law Enforcement Assistance Program where she assists law enforcement officers and their families with critical incident debriefings and training in South Carolina, North Carolina and Virginia. She is also an active member and supporter of the South Carolina Law Enforcement Officers Association.

John Williams has over 31 years of law enforcement experience and retired from the South Carolina Criminal Justice Academy as the Section Chief of Advanced Training in March 2005. Immediately upon retiring, he opened John Williams Consulting, LLC, with a primary emphasis on providing training to law enforcement personnel. He is an adjunct faculty member of the University of Tennessee's National Forensic Academy and teaches forensic courses nationwide. John has been teaching law enforcement and forensic courses for over 27 years to local, state and federal officers. He holds a Bachelors of Arts degree from the University of South Carolina. He is a member in good standing of SCLEOA, IAI, and SCIAI.
