April 10, 2008

Dear Fellow Law Enforcement Colleague:

I take great pride as Chairman of the Region II Law Enforcement Committee of the American Association of Motor Vehicle Administrators (AAMVA) in announcing our upcoming training conference, Embracing Change, The Drive for Service and Safety, to be held at the Crowne Plaza Hilton Head, in Hilton Head Island, South Carolina, June 8 – 12, 2008.

The AAMVA Region II Conference provides an opportunity to learn about new technologies for law enforcement and issues which may concern your agency. This conference is also an excellent opportunity to share ideas and information with other agencies like your own.

A roundtable discussion will be held concerning law enforcement issues, as well as an interesting array of law enforcement training with such featured topics as:

Highway Safety Best Practices
Identity Theft by Fugitives
Facial Recognition: The Next Step in Identity Verification
Real ID Update
State Immigration Concerns

As the Director of North Carolina's DMV License and Theft Bureau, my agency has many of the same problems as you and your staff encounter daily. Please accept this personal invitation for you and your staff to attend the AAMVA Region II Conference. I look forward to seeing you at the conference.

Sincerely,

John Robinson, Jr., Director
NCDMV License and Theft and Bureau
