ABOUT THE SEMINAR

A motorcycle is an elephant in high heels. It can weigh in at up to 800 pounds, and all that weight rests on two contact patches that are each about the size of your thumb. This inherent instability is the fundamental concept you must keep in mind as a lawyer representing a plaintiff or an insurance company in a motorcycle accident case.

Many lawyers, insurance adjusters, and police officers think a motorcycle accident is simply a different kind of car wreck. If you don't know what counter steering, contact patch, target fixation and high side means, then you need to attend this seminar. The first of its kind, this seminar is designed for lawyers, adjusters, and law enforcement personnel.

The role of the investigating police officer, the Emergency Medical Technician and the motorcycle mechanic will all be explored. This seminar is designed to help you corral the unruly facts of a motorcycle accident and turn them into admissible, persuasive evidence either to prosecute or defend a motorcycle accident injury claim, for use in a traffic citation case, or to intelligently value, settle, or litigate a claim.

MANDATORY CLE (MCLE) CREDIT HOURS

This program qualifies for 3.5 MCLE credit hours.

Webcast Registration Fee \$155.00

TO REGISTER FOR THIS SEMINAR AS A LIVE WEBCAST:

Go to www.scbare.org/seminarsdirect. Click on the webcast tab and follow the directions for the program you wish to view. You may register for a live webcast prior to a program, but registration will close fifteen minutes after a seminar begins. You may claim credit only for the actual time spent viewing a seminar to a maximum of 6.0 hours. For more information click on the Intro tab on the Seminars Direct page, or call Distance Learning Coordinator, Matt Riley, at 1-800-768-7787, ext. 118. If you decide to cancel, please contact LegalSpan at 1-977-880-1335 or e-mail support@legalspan.com.

*If you have any questions, please call us at:
(803) 771-0333 or 1 (800) 768-7787*
