

Instructions for parking in the Senate garage:

1. Enter parking lot (between Inn at USC and Senate Garage) off Pickens St. Drive to the end of the lot and turn left. Then enter the garage on your left (see arrows on map below). The parking assigned to your group is located on Level 5A (upper most, uncovered level). *All parking is head-in only.* Elevators are located on the east and west end of the garage.
2. Exit the garage at the same side you entered at. The gate will open automatically. Turn right at the exit and continue through the lot behind the "Inn at USC" to leave the area. See the map for garage, Inn at USC, and National Advocacy Center locations.
